Pioneers In The World Of High Profile Celebrations

Four decades ago, our founder Mr. Gopal Gurbaxani began creating personalised Wedding Decoration. In the early 90s, we launched **Set Makers** to create sets for Bollywood Films. Later, with **Lotus Events & Entertainment**, we began to offer Event Management solutions and Wedding Planning, making us pioneers in the Celebrations Industry.

On becoming the best!

We persisted un-dauntingly, to keep his spirit alive and evolved with the growth of the market, to be appreciated as one of the pioneers in the industry, for our vast experience, incomparable personalized service, limitless creativity, and attention to detail, as we continue to strive towards making every event or celebration, from planning to production, the very best it can be!

Weddings have been our forte ever since we began operations in 1975. Today, with **Set Makers** and **Lotus Events**, we are proud to have delivered some of the most fascinating and dreamlike wedding experiences, ever created for the rich and famous.

Our Movie Sets are Bollywood Stars too!

A movie set brings in, life and vitality to the cinematic experience. It gives justice to the story and also to the movie. Film sets have created for audiences, some of the most iconic and visually striking settings, which remain immortal in the memories of many avid lovers of cinema.

Our tryst with movie sets began in 1992 and continues successfully till date. Along the way, came the realization of a happy coincidence. Our wedding clients were overjoyed to reuse our film sets, with us creating a beautifully exotic Bollywood Wedding Theme. One can simply imagine how the excited couple almost looked a part of the famous Bollywood production!

Today, with the exponential growth of the Television and the Entertainment Industry, we've had a creatively satisfying time designing the sets for the popular Reality TV Series, Big Boss.
